

# Parking in ACU

ACU doesn't have a private parking spot and doesn't reimburse any parking costs!

## Environmental zone

Brown line - environmental zone. Old diesel autos aren't allowed in it, but vehicles on foreign licence plates can enter the city centre without restrictions.

## Load/unload gear

Short parking is possible in front of ACU on the sidewalk.

## Street parking

Street parking is crazy expensive in the city centre, check actual conditions. Orange territory is free on Sundays. Bands can also park around Tuindorp Oost for free in the evening (green territory on the map) and then take the bus number 4 (will take 10 minutes, accepts visa) or walk back (around 20 mins).

## Garage

Parkeergarage De Grifthoek is the cheapest way to park around ACU. Maximum height of a vehicle should be below 2 metres.
